

# Bream Creek Farmers Market

## 2nd February 2020

*It is all about sustainability at the Bream Creek Farmers Market this February with three fantastic workshops aimed at reducing our impact on the planet.*

Learn about (and taste) edible wild foods and how to cultivate your own in your garden with Feisty Tasmanian, Rees Campbell at 10 am, main stage.

An introduction to Zero Waste Living with Lauren and Oberon from Spiral Garden including how to make your own toothpaste.  
11 am, main stage.

Beeswax wrap making demonstration indoors at midday with Francesca from Plasticwise.

And get inspired with Tim Holmes from Potters Croft demonstrating his pottery skills.

*As well as all our regular stallholders*
